Driving school LLC

Mountain View Driving School LLC will provide your son or daughter with a program that will consist of at least thirty (30) hours of in-class instruction, at least ten (10) hours of behind the wheel driving and at least six (6) hours of observation. An additional forty (40) hours of practice driving at home is ***required*** by the state prior to applying for a license. Students will be provided with the necessary log to record their practice driving. New Hampshire residents fifteen and one half (15 ½) years or older may drive with a licensed adult provided the adult is at least twenty-five (25) years of age. (Students should always keep a copy of their birth certificate on them while driving.)

The cost of the program is $750.00. A minimum deposit of $250.00 is required to enroll. Balance is due at the first class unless other arrangements are made in advance.

(Please make checks Payable to (Mountain View Driving School LLC)

In the limited school time available, we do not expect students to develop into thoroughly experienced drivers. We do expect to develop a degree of competence, however, that will enable them to continue to improve under supervised practice with you. Driving a motor vehicle is a privilege and not an automatic right in New Hampshire. Your child will be taught the laws, rules and regulations necessary to become a safe driver. If this privilege is abused the highways become less safe for all of us. Please help stress this point with your child. If you have any questions, feel free to contact me at 603-371-6746 or *MVDS603@gmail.com*.

Sincerely,

Alex Gregory
